Avaya 10U100 Cordless Headset Telephone

- **Compact Remote:** Ultra-compact remote unit fits in the palm of your hand
- **Mobile:** Enjoy hands-free mobility with a range of up to 150 feet
- **Lightweight Headset:** Comfortable noise-canceling headset for more natural communication
- **Extended Use:** Six-hour continuous talk time on rechargeable battery

Now you can take calls and make calls from anywhere in your home or small office.

The Avaya 10U100 Cordless Headset Telephone is a “small” revolution in cordless technology. Literally. This 900MHz system features an ultra-compact remote dialing unit that gives you hands-free mobility, with a range of up to 150 feet. It also features a 10-number speed dial and a rechargeable battery pack that delivers six hours of continuous talk time. For home and small office applications, 10U100 offers the ideal combination of size, mobility and convenience.
