

Great sound. Greater convenience.

Our B250-XT+ has been a customer favorite since its introduction. So when they asked us to add a micro-USB charging port, we listened. Introducing the VXi BlueParrott B250-XTS: everything you love about the B250-XT+, plus convenient micro-USB charging.

Like its predecessor, the B250-XTS features Enhanced Xtreme Noise Suppression™, to ensure you're always heard and understood. Wideband audio's natural, easy-to-understand sound quality. The ability to stream audio from music players, GPS or any Bluetooth® device. And more than 20 hours of talk time per charge.

Benefits

- Be heard clearly with the industry's best noise-canceling technology.
- Understand every word with wideband audio.
- Stream audio from Bluetooth-enabled devices.
- Use with two cell phones or a phone and PC.
- Talk for 20+ hours.
- Charge via micro USB.
- Comfortable and durable.
- Make your phone a walkie-talkie with the VXi BlueParrott App. Push to talk to one person or a group on Android or iOS phones.

The B250-XTS makes the best sound in the business even more convenient.
