Extreme comfort – Exquisite style

Imagine a headset so comfortable that even after wearing it all day long, you can hardly feel it. And so discreet that you and those around you hardly notice it. The new Jabra BT5020 Bluetooth headset gives you that dream combination – you might even forget to take it off when you curl up in bed!

We've made the dream come true by making a headset which is small, light and comfortable. Designed for discreet style in matt black, the Jabra BT5020 packs a lot of features into its slender shape: MultiPoint connections, wind noise reduction, visual and vibrating alert of incoming calls, battery status indicator, up to 10 hours of talk time and up to 300 hours standby – an ideal mix for hard-working people.

Once again, Jabra delivers on its promise of industry-leading performance, easy operation and state-of-the-art design.
