Your Perfect Workout Partner

It's time to get moving and get FIT. Whatever your workout, the flexible, sweat-proof Plantronics BackBeat FIT wireless stereo headphones keep pace with you. Its powerful audio lets you clearly hear your music while its safety-oriented design lets you hear your surroundings and be seen at night. The reversible armband secures your smartphone while you're moving and stores your headphones when you're done – making it your perfect workout partner.

FEATURES

- Flexible design fits comfortably and stays put for all levels of exercise.
- Safety-oriented eartip design and reflective finish let you hear your surroundings and be seen at night.
- Easy controls let you keep moving while you control your music or calls.
- Check your headset's battery level from your iPhone® or use our app to show meter on your Android™.
- Eight-device memory for easier switching between devices.
- Wireless firmware updates using free Plantronics app.
- Neoprene armband for smartphone reverses to store headphones.
- Bluetooth® technology lets you connect to your smartphone or tablet for music, movies, and calls.
