GN405

ROBUST VERSATILITY AND CUSTOMIZATION.

The versatile GN405 is the lightest professional-class headset, offering an unbeatable array of customization options. It's the cost-effective, yet robustly customizable solution that can be deployed across any enterprise to maximize employee productivity and comfort.

The three-in-one GN405 offers customization options thanks to its three interchangeable wearing styles: earhook, earloop and headband. Plus, you get the microphone style that's just right for your work environment, be that quiet or loud. If you're in an especially busy and active work environment, you can even choose the ultra noise-canceling microphone.

FEATURES

- All-around versatility
- Customizable with three interchangeable wearing styles
- Omnidirectional, noise-canceling, or ultra-noise-canceling microphone availability
- Lightest professional-class headset with uncompromising comfort
