

It works wherever you do.

You're on the move. In the office, in your car, and in between. And you need to be connected, seamlessly, wherever you are. So you need a headset, one headset, that can go with you and give you the simple, uninterrupted clarity and connectivity today's work demands. The VXi Reveal Pro™ Office is that solution. With the Reveal Pro Office, you're wirelessly connected to both your desk phone and smartphone with a single headset and base charging unit. With 7+ hours of talk time, VXi's programmable Parrott Button™, audio streaming, a choice of wearing styles, and VXi's industry-leading noise-canceling technology and sound quality. The Reveal Pro Office works wherever you do. Now nothing can stop you.

Benefits

- Move seamlessly between desk phone and smartphone.
- Be heard clearly with the industry's best noise-canceling microphone technology.
- HD Voice™ to hear and understand every word.
- Roam up to 350 feet from paired devices (Class 1 Bluetooth).
- Tame background noise with the extendable boom.
- Set Parrott Button to your choice of mute, speed dial and more.
- Stream music or GPS instructions.
- Enjoy all-day comfort and convenience.

The VXi Reveal Pro Office.
Continuous connectivity for
unimpeded productivity.

VXi Reveal Pro™ Office

Multifunction button (MFB) easily controls on/off, call answer/end and pairing.

Advanced noise-canceling microphone system with Xtreme Noise Suppression™.

Extendable boom for optimal mic placement.

Parrott Button can be programmed by smartphone using the BlueParrott app.

Base station connects to desk phone.

The VXi Reveal Pro Office package includes:

- Reveal Pro headset
- Reveal Pro Office base station
- Wearing style kit (over the head, behind the neck, 5 ear gels, 4 ear hooks)
- Power supply
- Quick-start guide

Headset Features

- Pairs with multiple devices at the same time for uninterrupted communication.
- Customizable Parrott Button for mute, speed dial and more.
- Advanced noise-canceling microphone technology eliminates 90+% of ambient noise.
- HD Voice (wideband audio output) makes speech easier to hear and understand.
- Extendable boom slides out for optimal mic placement and enhanced noise canceling.
- A2DP support for streaming audio from Bluetooth devices.
- Near Field Communication (NFC) for quick and easy pairing.
- Lightweight comfort and roadworthy durability.
- 7+ hours of talk time/150 hours of standby time per charge.
- A choice of three wearing styles (ear hook, headband, and neckband).

Base Features

- Base charges the Reveal Pro headset while docked.
- Remote answer with optional EHS or L50 lifter.
- Easy-to-understand LED provides status at a glance.
- Easy “hot desking” with simple pairing.
- One-year warranty.
