

**INCREDIBLE SOUND
FOR MOBILE & UC
CALLS.**

Stay connected - on the road, at the office, or at home.

Unified Communications (UC) makes it easier for people to connect, communicate and work together. And, choosing the right headset can make all the difference. The Jabra SUPREME UC Bluetooth headset helps you get more from your UC experience with quality sound, easy connectivity and all-day comfort.

HEAR EVERY WORD – EVEN IN NOISY ENVIRONMENTS

- Incredible sound quality (HD Voice) and Active Noise Cancellation technology improve the quality of your conversations
- State-of-the-art audio enhancement technology ensures a more natural audio experience and crystal clear voice transmission for you and the person you are speaking with
- Patented Flip-boom arm provides convenient on and off microphone functionality, maximum comfort and easy storage

STAY CONNECTED – ON THE ROAD, AT THE OFFICE, OR AT HOME

- Discreet Nano Bluetooth USB adapter enables you to connect to your PC using the USB port. No installation required
- Make and take calls from your PC using the latest softphone UC clients such as Microsoft Lync, Skype or IBM Sametime
- Stay connected, while switching seamlessly between your PC and mobile phone
- Jabra SUPREME UC headset lets you connect to almost any Bluetooth-enabled device you choose

Customize your headset and control devices with the new Jabra CONNECT app. To learn more go to www.jabra.com/supremeuc

Jabra SUPREME UC with Jabra LINK 360 Bluetooth USB adapter

All current USB peripherals that are optimized for Microsoft® Office Communicator (PC version), such as headsets, will be compatible with Microsoft® Lync™.

FEATURE	BENEFIT	
Ease of use	Bluetooth headset and USB Bluetooth adapter offering up to 10 meters wireless range ¹	Long range connectivity gives users the freedom to multi-task with maximum efficiency and answer mobile or soft phone calls up to 10 meters away from their phone
	Multiuse™ connectivity – mobile and softphone	Allows users to switch seamlessly between calls on mobile and softphones (Connects up to 8 devices – 2 at the same time)
	Talk time up to 6h Standby time up to 15 days ²	No need to charge headset even with several consecutive meetings
	Headset controls: - Answer/end button - On/off Flip-boom arm - Dedicated Volume controls	Easy to use controls for call handling and volume settings. Patented Flip-boom arm provides convenient on and off microphone functionality. Simply unfold the Flip-boom arm to switch ON and fold up to switch OFF. When in use, the microphone sits comfortably and close to your mouth. When not in use, it folds up neatly and conveniently to pocket size for easy storage
