

Beating background noise has never been easier.

Since its introduction, the BlueParrott B250-XT Bluetooth headset has been widely regarded for its ability to knock out the most aggressive ambient noise—even the roar of an 18-wheeler! Thanks to its advanced noise-canceling microphone—utilizing BlueParrott's Xtreme Noise Suppression™ technology—people hear you, not your noisy environment. And now that we've added USB charging, it's even easier and more convenient to enjoy the B250-XT's many benefits.

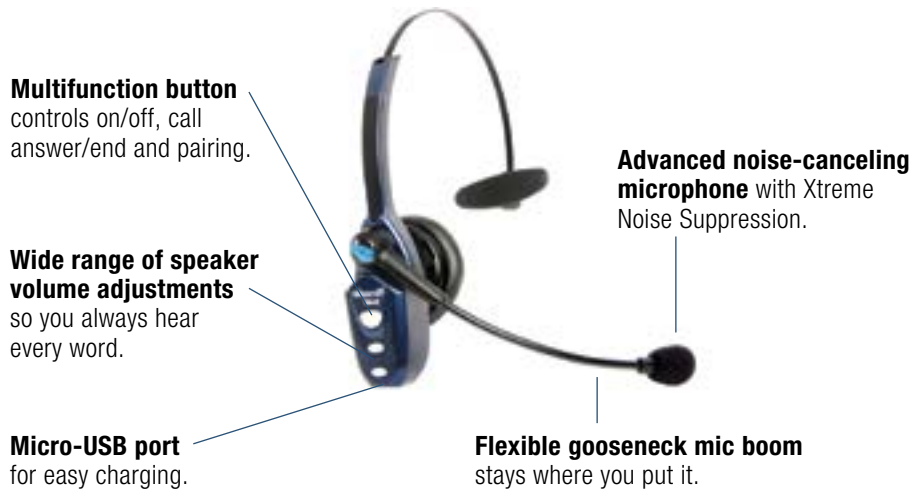

Benefits

- Best in class noise canceling (85%).
- Enjoy a wireless range of up to 66 feet.
- Talk for 16+ hours on a charge. (Up to 150 hours standby.)
- Hear every word, with its wide range of volume adjustments.
- Keep your conversations private, with 128-bit digital encryption.
- Wear all day, every day.
- Charge via micro-USB.
- Make your phone a walkie-talkie with the BlueParrott App. Push to talk to one person or a group on Android or iOS phones.

The B250-XT knocks out noise so you get heard.

Product Highlights

- Advanced noise canceling eliminates background noise and improves communication.
- Flexible microphone boom stays where you put it for optimal sound quality.
- Lightweight, comfortable design is easy to wear, all day.
- Roadworthy durability stands up to every-day use.
- One button controls on/off, call answer/end and pairing.
