

One office, 3X the
wireless potential

Multitask hands-free
up to 350 feet

plantronics

More headsets, more wireless freedom

CS500™ XD Series

A new addition to Plantronics legendary CS family for desk phone communications, the CS500™ XD Series is a high-quality solution for fitting more wireless headsets in an office environment.

CS500 XD Series

More headsets, more wireless freedom. The Plantronics CS500 XD Wireless Headset Series was designed to address wireless density issues, so that more wireless headsets can be used in the same space while maintaining clear conversations. Using 900 MHz technology, the CS500 XD Series provides up to 350 feet of range, and includes a convertible headset with a hot swappable battery (CS545-XD) for unlimited talk time.

SUPERIOR COMFORT AND CALL MANAGEMENT

- Gain mobility – multitask hands-free up to 350 feet
- Audio controls for volume/mute at your fingertips
- Conference in up to three additional CS500 XD headsets for enhanced collaboration
- CS545-XD/CS540-XD offer an ultra-light convertible headset with choice of three* comfort tested wearing options to match your personal style
- Use with Electronic Hookswitch Cable or Handset Lifter to remotely answer/end calls

OUTSTANDING AUDIO QUALITY

- 900 MHz wireless technology allows for the highest number of available channels for clear conversations
- Choose narrowband mode to preserve talk time or wideband mode for clearer conversations
- Noise-canceling microphone reduces background noise interruptions, ensuring great audio quality and easing listener fatigue
- Enhanced Digital Signal Processing (DSP) provides more natural sounding voice

RECOMMENDED ACCESSORIES

- HL10 Handset Lifter adds remote call answer/end convenience
- Electronic Hookswitch Cable electronically adds remote answer/end convenience, eliminating the need for a Handset Lifter
