

Let one headset do the work of two.

If you use a headset with both your desk phone and PC—or would like to—VXi just made it easy. With the ConneXt™ PC/Phone Switch, your headset can now do double duty. At the flick of a switch, you're headset-ready for your desk phone, PC softphone or any other computer audio application.

Benefits

- Use one headset for both your PC and desk phone.
- Easily switch between PC (softphone, Skype, etc.) and desk phone calls.
- Compatible with most phone types.
- Boost microphone volume, if needed, when used with desk phone.
- Available with V, G or P-style quick disconnect to work with any headset.

ConneXt lets you switch seamlessly between your desk phone and PC, with one click.

Headset hanger reduces desktop clutter.

PC/Phone switch toggles easily between desk phone and computer.

Microphone volume adjustment to boost transmit volume, when needed.

Telephone compatibility switch for use with most phone brands.

Includes all necessary connection cables.

RJ9 Phone Cord

Quick Disconnect Cord

USB Cable

Product Highlights
