

Jabra Evolve 75

The best wireless headset for concentration in the open office*

The Evolve 75 is a wireless headset with superior Active Noise Cancellation and integrated busylight to enhance your productivity.

Dual connectivity to two Bluetooth® devices allows you to take calls and listen to music from the same headset, giving you extra freedom to move 100ft/30m away from your smartphone and/or PC.

Outstanding sound for calls and music

HD voice for your calls and world class speakers for music.

Reduce noise and interruptions

Superior ANC and integrated busylight acting as a do not disturb signal.

More freedom

Dual Bluetooth® connectivity to two devices at the same time for calls and music, with the flexibility to move up to 100feet/30 meters away from your connected device.

More reasons to choose

Jabra Evolve 75

- All-day comfort leather feel ear cushions and an on-the-ear wearing style for all day comfort
- Works with all UC platforms – certified for Skype for Business, Cisco and more
- Easy charging and docking comes with an optional charging stand to eliminate battery concerns

How to connect

PC

The headset and the USB dongle are pre-paired and ready for use.

Smartphone

Switch on Bluetooth pairing and then follow the voice-guided instructions in the headset.

How to use

Listen-in

Listen to your surroundings without taking off your headset.

Active Noise Cancellation

Eliminate unwanted background noise at the touch of a button.

Charging

Use the USB cable or charging stand. The charging stand should be plugged into a powered USB port on your PC, docking station, or wall charger.

It takes approx. 3 hours to fully charge the headset.
