GN9120 SERIES

FREEDOM AND PRODUCTIVITY.

The GN9120 is a wireless headset that works the way today's in-office professionals work. Offering an unbeatable range of personal mobility in the office, a robust talk time and a host of innovative features and benefits, the revolutionary GN9120 will give complete wireless freedom in the office.

The unique four-way conference call feature lets you hold fully mobile, secure conference calls not restricted to meeting rooms and without interruptions by the distortion of speakerphones. And, the GN9120 comes with a choice of three different boom arms, equipped with different microphones to suit quieter or louder office environments.
