T5330

GO WIRELESS – IT'S PRICELESS.

WIRELESS FREEDOM FOR THE OFFICE

Multi-tasking is essential for today's professionals and phone calls limit your ability to get things done. Move freely around your working environment and increase productivity with hands-free communication. Achieve more with the simple, effective and very affordable – T5330.

REMOVES RESTRICTIONS

With a full 33 foot wireless range, the T5330 unties you from the restrictions of the phone cord, allowing you to move freely around the office while taking and making calls. Additionally, it keeps both your hands free to support your unique working experience.

ADDS EFFICIENCY

Ergonomically designed for all-day comfort, the T5330, complete with a desktop charging cradle, is an advanced cordless headset that helps you increase your productivity and optimize your business success. Once again, Jabra delivers on its promise of industry-leading performance, easy operation and state-of-the-art design.
