## JABRA LINK 260

CONNECT YOUR CORDED QD HEADSET TO  
A SOFTPHONE AND GET CALL CONTROL

Jabra Link 260 extends the capability of your Jabra corded QD (Quick Disconnect) headset, provides call control and enhances the audio. The USB adapter, enables you to use your Jabra desk phone headset together with your softphone. Digital Signal Processing (DSP) technology evens out the audio stream to ensure clear sound on both ends of the call.

### PROTECT YOUR HEADSET INVESTMENT

Jabra Link 260 is compatible with any corded Jabra QD headset and all leading brands of softphones. As a result, users can continue to leverage the benefits of a professional Jabra headset, including superior sound, noise canceling and all-day wearing comfort. This makes it the ideal solution for contact centers that want a smooth and cost-effective transition to a Unified Communications solution.

### CRYSTAL CLEAR CONVERSATION

Jabra Link 260 incorporates a number of sound quality features, such as Digital Signal Processing (DSP) for greater intelligibility, and noise filtering for a cleaner, distortion-free and smooth audio experience.

### PREVENT STRESS AND HEARING INJURIES

Reduce the number of sick days and increase employee retention. Jabra Link 260 delivers acoustic shock protection and is compliant with the Noise at Work legislation in the EU (Directive 2003/10/EC).

### IDEAL FOR HOT DESKING

The Jabra Link 260 is the perfect solution for companies looking for greater workplace flexibility, including hot desking.

### CALL CONTROL AT YOUR FINGERTIPS

Convenient in-line control buttons let you enjoy quick, optimized use of your softphone. At the press of a button you can answer/end calls, put calls on hold, adjust volume and mute the microphone. All of the buttons can be programmed from the computer to perform user-defined tasks such as "Call on hold", "Reject incoming call", "Redial last number" and/or "Dial voice mail" - or to comply with commands in future softphones.

### BUILT TO WITHSTAND EVEN THE TOUGHEST WORK ENVIRONMENTS

To ensure long service life, Jabra Link 260 is made of durable high-quality materials built to withstand even the toughest work environments.
