- Answer/end button for convenient call control
- Volume control setting for incoming calls
- Flash, mute, and redial buttons
- Supervisor port
- High/low ring level setting
- Online indicator lets others know you're on a call
- Choice of tone or pulse dialing

Ergonomic, cost-effective

The cost-effective T110/T110H Headset Telephone delivers superior comfort and strong performance to growing customer service centers. Featuring ergonomically designed, noise-canceling headset and firm-key dial pad, the T110/110H reduces all-day wear and repeated dialing stress. Three flash settings provide flexibility, and a supervisor port affords direct access to a manager.

The T110 includes a generously cushioned, noise-canceling headset, while the T110H provides a Quick Disconnect (QD) connector for use with any Plantronics QD-equipped headset.

ALL-DAY COMFORT

- Generously cushioned headset with adjustable volume ensures comfortable listening throughout the day (T110)

STRONG AUDIO PERFORMANCE

- Renowned Plantronics audio and noise-canceling technology improve the experience for both caller and representative

LOW-STRESS DIALING

- Dial pad designed ergonomically with firm, flat keys to reduce the stress of manual dialing

SUPERVISOR PORT

- Connect a second headset for coaching and monitoring

CALL CONTROL

- Provides answer/end, flash, mute and redial buttons, and includes online and mute indicator lights
