The Plantronics Discovery 975 is ingeniously simple in its technology and design. Inspired engineering blends noise-canceling AudioIQ² technology, wind protection and easy connectivity for premium performance.

- AudioIQ² technology intelligently removes background noise
- WindSmart® technology provides 3 layers of wind noise protection
- Carrying case with rechargeable battery triples earpiece talk time
- Up to 5 hours talk time for earpiece (without use of charging case)
- Dual microphones capture your natural voice quality
- Patented gel ear tips (S, M, L) for stable, comfortable fit
- Lightweight, easy on/off design
- Universal compatibility with most Bluetooth® phones and devices
