Voyager 4200 UC Series

Wireless freedom meets crystal-clear audio.

BLUETOOTH® HEADSET FOR OFFICE PROFESSIONALS

Voyager 4200 UC Series

The headset that office professionals and IT can agree on. Office professionals prefer a stereo device to listen to media; others want a mono headset to hear their surroundings while on a call. But everyone expects crystal-clear audio and the ability to switch seamlessly between mobile phone and PC. Easy to use, easy to deploy and cost-effective, Voyager 4200 UC Series meets IT's needs for headset solutions that support the company's UC strategy.

KEY FEATURES
